

# Aramex Shipping

Extension User Guide By

An Extension by- <http://codeinnovers.com>

## **Aramex Shipping**

Aramex is an international express, mail delivery and logistics services company based in Dubai, United Arab Emirates (UAE). Aramex is a leading global provider of comprehensive logistics and transportation solution.

Established in 1982, Aramex shipping allows all Aramex customers around the world to track delivery, monitor shipment progress and manage their account, address and delivery details. Listed on Dubai Financial Market and based on the UAE. Which allows us to provide customized logistics solutions anywhere in the world effectively and reach more businesses and consumers regionally and globally. In Jan.1997, Aramex became the first Arab-based international company to trade its shares on the NASDAQ stock exchange.

## **Aramex Shipping Extension**

*Aramex Shipping extension allows admin to generate the shipment and fetch the AWB number from Aramex.
