Product View Page

The image shows a product view page for a dark grey coat. On the left is a full-length image of a woman wearing the coat. On the right, the product details are displayed. A yellow box labeled 'inquiry Button' points to a green 'Product Inquiry' button. Another yellow box labeled 'display Message' points to a red arrow that points to the 'Product Inquiry' button. Below the button, there is a message: 'For any query related to this product. Please fill inquiry.' Other elements include the product name 'Coat Broun', an 'In Stock' status, a price of '\$459.00', an 'ADD TO CART' button, a quantity selector set to '1', and a 'More Information' section with a dropdown arrow.

Inquiry Form

The image shows the same product view page as above, but with a 'Customer Inquiry Form' overlay. The form is titled 'Coat Broun' and has a close button (x) in the top left corner. It contains the following fields: 'Name', 'Email', 'Mobile', and 'description'. A green 'Submit Inquiry' button is located at the bottom of the form. The background shows the product image and details from the previous image, but they are partially obscured by the form overlay.
